regardless of whether any written record of the statement exists. In the event the government intends to use such an oral statement at trial, I request that it be reduced to writing and produced. This request includes the substance of the Defendant's response to Miranda warnings. Additionally, please provide any written record of Defendant's oral statements. This includes, but is not limited to, handwritten or rough notes taken by law enforcement and/or government agents concerning Defendant's interview(s).

I request that, in responding to this request for Defendant's oral statements, you ask each law enforcement agency involved in investigating or prosecuting this case to search its files for responsive information.

(c) Defendant's Prior Record [FRCrP 16(a)(1)(D)].

A copy of Defendant's criminal record within the possession, custody or control of the government, the existence of which is known, or by the exercise of due diligence may become known to you. This request includes the defendant's entire criminal record, including all arrests and offenses regardless of conviction or severity. It includes all matters that may affect the defendant's criminal history score pursuant to U.S.S.G. Chapter 4.

(2) Documents, Data and Objects

(a) Material To Preparing A Defense [FRCrP 16(a)(1)(E)(i)].

Inspection, copying or photographing of documents, data or tangible objects within the possession, custody or control of the government and are material to the preparation of the defense. Separately identify any materials the government intends to use at trial in-chief.

(b) Material Government Intends To Use In-Chief [FRCrP 16(a)(1)(E)(ii)].

(1972), produce sufficiently in advance of trial any exculpatory evidence material to guilt or punishment, including impeachment evidence or information. Should you have a question with regard to whether certain information constitutes Brady/Giglio material, or when it must be produced, I request that you present the information to the Court, with notice to me, for review in camera to resolve these issues.

If you believe that any Brady/Giglio material is also Jencks Act material, I request that you present it to the Court for in camera review and advise me of the general nature of the evidence. However, I request that you produce prior to trial all Brady/Giglio material that is not covered by the Jencks Act.

(8) Jencks Act Material

I request pretrial production of Jencks Act material within a reasonable time prior to the day of a witness' direct examination.

(9) Sentencing Information

The Sentencing Commission has encouraged prosecutors prior to the entry of a plea of guilty to disclose to a defendant the facts and circumstances of the offense and offender characteristics, then known to the prosecuting attorney, that are relevant to the application of the sentencing guidelines. U.S.S.G. §6B1.2, p.s. comment. To insure that my client can make an informed and intelligent decision regarding the possible or probable consequences of pleading guilty or requesting a trial, I request that you advise me of any facts and circumstances presently known to the government or reasonably discoverable, that relate to sentencing issues under the sentencing guidelines, or to calculation of the applicable sentencing guideline range, should my client be convicted of any one or more of the charges in the indictment.

More specifically, I request that as soon as possible you provide me with the following information as to this case:

- What guidelines does the government contend are applicable?
- What aggravated offense characteristics, if any, does the government contend are applicable?
- What adjustments, if any, does the government contend are applicable?
- Upon what grounds, if any, will the government seek a departure from the guidelines?
- What criminal history category does the government contend is applicable?
